

ASN introduces its new and improved Learning Center featuring BRCU Online. This site includes all the features you currently use, plus new enhancements and an easy-to-use interface. Watch the presentations at your convenience from your computer, iOS devices, Android, or tablet.

Please follow these instructions to access the valuable **BRCU Online** content.

1. At the top of the Learning Center homepage, click **Browse Content**.
2. Select the **BRCU Online** activity title and year that you have access to, and then select a topic; the session titles will display.
3. Select a session and presentation from the list. Click the presentation title or graphic/thumbnail and the player page will appear. Or download a PDF of the slides (if available) or audio MP3.
4. Click the arrow and the presentation will begin.
5. View the **CME Info**, and navigate to other related and popular presentations using the tabs on the right side.
6. **Ready to claim your CME credit?** Click **Claim CME** and you'll go to the CME Center to claim your credits just as you have done before.

If you have questions, please contact us using the "[Contact](#)" form on the website or email us at education@asn-online.org.
